** Many apologies for the sharp rise in fees. Our fees seek only to cover expenses to host such an event, but because we must now pay for the venue, we had to raise the fees. However in keeping with Master Jou's philosophy that no one be denied the benefits of Taiji/Qigong because of financial condition, and in accordance with his adage, "Do Your Best, Don't Overdo", these are the suggested EARLY REGISTRATION PRICES. If your finances don't allow for payment of these prices, please fill in what you can afford, in good conscience, and mail this form prior to the **June 1, 2023** deadline. You may be asked to volunteer for some of the organizing tasks before, during, or after the festival.*

There is limited lodging available on-site, but you must register on-line in order to reserve a bed (online registration opens in May & available rooms will go very fast). To register online, go to <https://taichipark-masterjoutsunghwa.org>.

WAIVER :: In consideration of value received, I agree to assume full responsibility for any and all damages, injuries or losses that I may sustain, if any, while at the **Master Jou, Tsung Hwa Birthday Celebration & Tai Chi Festival** and do hereby waive all claims against the Owners, Agents, Staff, and any Instructors or Participants regarding all Liability, Claims and and Suits for any injury, fatal or otherwise.
